4:52 PM **me**: you need to look at that jpg I sent you
incidentally, it's a pic of Marcos from Kos
it's the funniest thing I've ever seen
4:57 PM **Caleb**: I saw it.
I considered making it my desktop background at work.
me: every time I look at it, I laugh my ass off
ah, yes
you could
4:58 PM that would help to keep your cover
Caleb: Oh, there's no cover.
4:59 PM Everyone here who isn't a vapid Floridian is pretty much on the left side of the spectrum.

5:02 PM Psychological difficult, that is.
psychologically*

12 minutes

5:14 PM **me**: sounds like a great operation you guys got going
NOT
5:18 PM **Caleb**: It's a little rag-tag.
5:21 PM **me**: that's adorable, though
a bunch of misfits giving it their best
5:22 PM until a bigger, fancier, sleeker affiliate goes up across the street.
things get zany after that

15 minutes

5:37 PM **Caleb**: Like the midnight panty-raid on the all-girls Catholic affiliate on the other side of the lake.
